Supply and demand of coal by Maharashtra

3485. SHRIMATI CHANDRIKA ABHINANDAN JAIN: Will the Minister of COAL be pleased to state:

(a) what is Government's plan to allocate the district-wise quantity of coal during the year 1994-95 to meet the gap between the supply and demand of coal in various areas of Maharashtra;

(b) whether it is a fact that the annual allocation of coal from the central pool made to Maharashtra is comparatively less than that of other States;

(c) if so, what are the reasons therefor;

(d) whether any counter representation has been made by the State Government in this regared; and

(e) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI AJIT KIMAR PANJA): (a) to (c) Demand for coal is assessed and supplies made unit/industry-wise and not district wise and/or State-wise. However, despatches of coal from Coal India Ltd. (CIL) to the consumers in the State of Maharashtra have shown consistent growth in last three years as may be seen from the following figures:

(Figs. in '000 tonnes)

Year	Coal supplies from CIL sources.
1991-92	23811
1992-93	24092
1003-94	27421

Coal companies have adequate coal stocks to meet the requirements of all consumers including consumers in Maharashtra. However, they have also been asked to step up despatches to varuious consumers in the country including Maharashtra.
